

**MEMORANDUM OF UNDERSTANDING**

**BETWEEN**

**INCHEON NATIONAL UNIVERSITY**

**AND**

**INDEPENDENT EVALUATION UNIT  
of the Green Climate Fund  
(GCF)**

**ON**

**KNOWLEDGE PARTNERSHIP**

This Memorandum of Understanding (this “**MoU**”) is entered into, between:

**THE GREEN CLIMATE FUND (“GCF”)**, designated as an operating entity of the financial mechanism under Article 11 of the United Nations Framework Convention on Climate Change and established pursuant to its Governing Instrument possessing juridical personality in order to operate effectively internationally, having such legal capacity as is necessary for the exercise of its functions and the protection of its interests and having its headquarters at Songdo, Incheon, Republic of Korea; and

**INCHEON NATIONAL UNIVERSITY (“INU”)**, a national university operated by the legal entity (법인, 法人) established by the government of Republic of Korea, and having its headquarters at Songdo, Incheon, Republic of Korea.

INU and GCF, represented by the Independent Evaluation Unit (“**IEU**”), are hereinafter referred to individually as a “Party” and jointly as the “Parties.”

## **PREAMBLE**

**WHEREAS** the IEU is an independent unit of the GCF, mandated by paragraph 60 of its governing instrument which states “...the Board will establish an operationally independent evaluation unit as part of the core structure of the Fund”;

**WHEREAS** the mission of the IEU is to conduct periodic independent evaluations of GCF performance to objectively assess the results of the GCF and the effectiveness and efficiency of its activities;

**WHEREAS** the INU is a national university located in Songdo, the INU has invested intensively to become a leading university concentrating and specialized in bio fields, engineering, and humanities and social studies;

**CONVINCED** that cooperation and collaboration between the Parties would serve their common objectives and render their respective activities more effective and beneficial;

## **THE PARTIES HAVE REACHED THE FOLLOWING UNDERSTANDING:**

### **ARTICLE 1: OBJECTIVES**

The purpose of this MoU is to summarize the areas for mutual cooperation with respect to technical expertise and knowledge exchange, and to explore opportunities and options for developing a strategic knowledge partnership around the evaluation of projects and programmes in the areas of climate change of the GCF and the INU.

## **ARTICLE 2: SCOPE OF COOPERATION**

1. To achieve the objectives stated in Article 1, the Parties shall exchange technical expertise and lessons-learned related to assessment and evaluation of the projects and programmes and to inform each other's evolving understandings and associated work programs related to the climate change. In particular, the Parties will cooperate in the following areas:
  - a) Joint information and knowledge sharing activities on matters related to project evaluation;
  - b) Sharing and disseminating knowledge and experience, including the development of joint knowledge products, including but not limited to;
    - I. Impact evaluation.
    - II. Process evaluation.
    - III. Systematic reviews.
    - IV. Evidence for project success or failure.
    - V. Quantitative and qualitative methods of measurement.
    - VI. Standards of good evidence.
    - VII. Development of indicators.
  - c) Facilitating and supporting exchange of experts and secondment of IEU staff and researchers. Also, support relevant IEU staff and researchers in developing its area of evaluation support by providing advice and inputs on:
    - I. Types of assessment and evaluation criteria GCF may want to use in reviewing project and programmes.
  - d) Supporting organization of workshops, seminars and training courses on topics related to evaluation; and
  - e) Contribution on academic and research programs, which may include evaluation of climate change, and development of curriculum in the areas related with climate change.
2. The Parties may from time to time wish to agree on other activities within the scope of this MOU. If so, the Parties may develop annexes describing the activity to be carried out under the areas of cooperation contemplated under this MoU. Each annex shall outline the subject and form of cooperation, clearly stating the obligation of each Party, financial arrangements and the relevant terms relating to the implementation of the activity. Upon written agreement, which will be concluded by an exchange of letters, such annex shall be an integral part of the MOU. Annexes are subject to all provisions of this MOU and will, in their introduction, incorporate by reference all provisions of this MOU. In the event of

a conflict between the terms of an annex and this MOU, the provisions of this MOU shall prevail.

### **ARTICLE 3: TERMS OF COOPERATION**

1. The Parties shall decide, through consultation, the specific areas and details of the cooperation within the framework of this MoU, the details of which will be outlined in separate memorandums of understandings or in the annexes referred to in Article 2, paragraph 2.
2. This MoU does not represent any commitment of financing by the Parties for any activities to be undertaken, jointly or independently.
3. Neither Party will commit the other to any expenditure, obligation, contractual undertaking or representation to any third party without the prior consent of the other Party.
4. The above activities and any additional activities agreed to between the Parties shall be subject to the respective internal objectives, mandates, functions, policies and procedures of the Parties.

### **ARTICLE 4: CONFIDENTIALITY**

1. Each Party shall keep in strict confidence all Confidential Information (defined below) obtained from or disclosed by the disclosing Party pursuant to or in connection with this MoU and shall not disclose or permit its representatives to disclose such information to any third party, unless such disclosure is mutually agreed by the Parties or is otherwise required in accordance with a Party's disclosure policy as then in effect. For purposes of this MoU, "Confidential Information" means all information identified as confidential or proprietary by the disclosing Party or that ought reasonably under the circumstances to be treated as confidential or proprietary.
2. The Parties agree that the provisions of this Article shall continue to be binding between the Parties notwithstanding the termination of this MoU.

### **ARTICLE 5: STATUS OF THE PARTIES**

1. Neither Party nor its personnel shall be considered as an official, agent, employee, representative or joint partner of the other Party. Neither Party shall enter into any contract or commitment on behalf of the other Party.
2. Each Party shall carry out its responsibilities and obligations under this MoU in accordance with its regulations and rules applicable to it, and, unless separately agreed upon in writing, bear its own costs with respect to the implementation of this MoU.

## **ARTICLE 6: NON-WAIVER OF PRIVILEGES AND IMMUNITIES**

Nothing in this MoU shall in any way constitute or imply a waiver, renunciation, termination, or modification by the Green Climate Fund of any of its privileges, immunities or exemptions granted by or under international law, international customary law, any international conventions, treaties or agreements, or any other applicable laws or agreements, including without limitation, the Governing Instrument for the Green Climate Fund and the Agreement between the Republic of Korea and the Green Climate Fund concerning the Headquarters of the Green Climate Fund.

## **ARTICLE 7: ACKNOWLEDGEMENT AND USE OF INSTITUTIONAL EMBLEMS**

1. The parties agree that the use of emblems, name, abbreviation, logo or any trademarks of the other Party in documentation related to cooperation will be in accord with the current policies of each Party concerning such usages and upon the prior consent in writing for such use by the other Party.

## **ARTICLE 8: NATURE OF THE MOU**

1. Except for Article 4, this MoU serves only as a record of the Parties' intentions and does not constitute or create, and is not intended to create, rights or obligations under domestic or international law and will not give rise to any legal process and will not be deemed to constitute or create any legally binding or enforceable rights or obligations, expressed or implied.
2. Any specific activities under this MoU shall be covered by a separate memorandum(s) of understanding or annex signed by both Parties.

## **ARTICLE 9: LIAISON**
