1.	On page 13, structure of the evaluation team and responsibilities, it states “ability to travel”. Could you please indicate number of trips and destinations expected under this contract? This would help us determine the costs.	We expect the contracted team to be available for at least one face-to-face meeting during phase 1 or phase 2. The timing of this will be decided in dialogue with the IEU. The location for the meeting will be determined in light of current travel restrictions and procedures. We also expect the contracted team to contribute substantively to the dissemination, uptake and use of the products from the evidence review.

Kind regards
